Committed to Fostering Community Enrichment

Mayor's Message

Here at the City we are constantly striving to make Liberty Lake an extraordinary community to live, work, and play in. We are well on our way to becoming the first jurisdiction in the area to implement large-scale retail establishment standards, as well as being the first city in the Northwest to be a host to a Street of Dreams neighborhood. We take pride in being leaders in innovative development and you will continue to see this as the City moves forward. We are excited to see what the future will bring!

Mayor Steve Peterson

ROCKY HILL PARK. A neighborhood workshop was held on May 18th at the Rocky Hill Sales Office to discuss a vision for activities and development of Rocky Hill Park, as well as a preliminary schedule for master planning and phased construction. Led by Mike Terrell, the Landscape Architect for Greenstone, the workshop began with a tour of the 14 acre site, a brief discussion of the history of the barn and the well house, and a hike up "Rocky Hill" to take in the surrounding views. The participants discussed ideas for the park such as swings, play equipment, picnic areas, paths and trails, view opportunities, gathering areas, community art, parking, water features and ballfields, as well as whether the park would be more passive or active overall with choice of activities and features. This workshop was the first in a series of public participation opportunities for design of the park. Watch the City website, this newsletter, and the Liberty Lake Splash for more. A survey is also available if you would like to share your thoughts for Rocky Hill Park. To receive notices of future meetings, contact Mike Terrell, ASLA at 252-7507, ext. 129 or by email at mterrell@greenstonehomes.com.

Liberty Lake Joins the Big Leagues with the Street of Dreams-

What does the City of Liberty Lake have in common with Las Vegas, San Diego, Sacramento and Tucson? In June and July of this summer, Liberty Lake will join these cities in being a host for a "Street of Dreams" neighborhood. This will be the first event of its kind in the Spokane and Coeur d'Alene area, and is expected to draw around 30,000 visitors. This is a wonderful opportunity for many people to get their first glimpse of our city, and a great chance for residents to view some spectacular homes! See page 3 for dates, times, & ticket prices...

LIBERTY LAKE YARD SALE IS JUNE 10TH FROM 8AM - 4PM, WWW.LIBERTYLAKKEYARDSALE.ORG

Planning Commission Completes Review of Large-Scale Retail Establishment Standards

After extensive input from the development community, the draft standards received a recommendation of approval with two minor modifications from the Planning Commission at their May 3rd meeting. The draft standards, a first in Spokane County, will now move to the City Council for review. The standards will regulate Large-Scale Retail Establishment Site Design & Features, Outdoor Display/Sales Areas & Accessory Uses, Building Design, Materials & Colors, Adaptability for Reuse/ Compartmentalization/ Redevelopment, and Signage to maintain the character and aesthetics of Liberty Lake. For more information or to receive a copy of the draft standards, please visit our website at www.libertylakewa.gov or call 755-6708.

Civic Center Update

Members of the public met with the City Council on May 2nd at Liberty Lake

Elementary to give feedback on two preliminary site concepts for the Civic Center Campus to be located on the 6 acre City property, S. of Appleway and W. of Signal Rd. At their May 16th meeting, the City Council voted to have the Community Center portion combined with the Library, located on the SE corner of the site, and to investigate the economy of scale for design of the library and community center. The design concept process will continue throughout the summer with opportunities for additional public input throughout the process.

Project MOVE needs volunteer mentors for youth in Spokane County.

Many youth in our community are ready to be matched with a mentor to help support and guide them as they transition from high school on to employment or college. The youth have a wide range of interests, abilities, and desires, and Project MOVE Match Coordinators will work closely with you to determine the best match for both parties. Project

MOVE participants receive significant support and guidance from Match Coordinators to make the most of their mentoring relationship. Each month Project MOVE produces a newsletter filled with community events and free trainings designed to assist the mentee in finding appropriate activities that will help them to achieve their employment or educational goals. Project MOVE Match Coordinators are also available to help answer questions or offer advice when needed. Project MOVE is the first mentoring program focused on youth with disabilities in Spokane County. The program is aimed at youth ages 16-21 who are in transition between high school and the workforce or college. Project MOVE offers an excellent opportunity for interested adults to support a young person, give back to their community, and have fun while doing it. If you are interested in becoming a mentor with Project MOVE please contact Cathy Sacco or Tim Foster at WISE, (509) 328-2310, or tim@theinitiative.ws or businesses can contact John Sjolund at Community-Minded Enterprises (509) 444-3088 Ext. 243, or johns@community-minded.org.
